

# Silent Auction Preview

We have a Silent Auction each year at our Holiday Party.

Members and other supporters donate items or services for the auction

Proceeds go to ASUDEC (Africa's Sustainable Development Council)

(read Norma Dawson's ASUDEC article on the adjacent page.)

Last year's Auction came on the heels of the economic downturn, so the Auction didn't do real well (although we still raised about \$2,500). There are some great opportunities. Most of our advertisers contribute Gift Certificates from their businesses. Pacific Porsche donated an \$850 Porsche Watch. We had an Airplane Ride, one of Patricia Johnson's paintings of your Porsche, and more than fifty other items. Thanks to Roy Lock and his posse, we also have a poster from this year's Monterey Historic's, signed by a bunch of noted Porsche racers and others (see below) - which already has two preliminary bids of \$500

Use your imagination - anyone out there a gourmet cook? I'd bid on that one!!!
